*Danzig village in  
Magdeburg*

B21  
*Coats of arms of Danzig  
and Magdeburg*

B21a  
*Coats of arms of Danzig and Magdeburg*

The building of a "Danziger Dorf" (Danzig village) in Magdeburg began on 20 July 1936. Unemployed German families left the Free City of Danzig in the 1930s to search their luck in the German Empire. In Magdeburg, 188 houses and a community building were built at the northern city boundary on the Ebendorfer Chaussee

**DANZIG – Other Stamps****Danzig - Lost Territory Stamp**

A series of cinderella stamps issued in Germany expressing the German frustration at the Versailles (and other) post-WWI treaties which stripped Germany of all her colonies and other significant territories. This is part of a series often called "Mourning stamps".
