

# French Occupation of GHADAMES

1949 - 1951

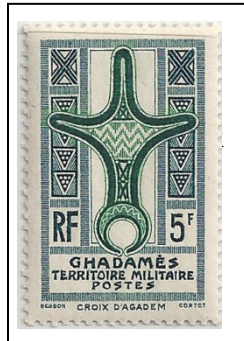

1949

## The Cross of Agadez Design

While the stamp was inscribed as "Croix d'Agadem", it should have been "Croix d'Agadez", or the Agadez Cross.  
Probably a mixup with Agadem, which was an important trade city in Niger.  
unwatermarked, engraved, perf 13
