under General Diterikhs

1922

Counterfeits abound for all overprinted and surcharged stamps.

It is assumed that all overprints in this album are counterfeit, unless otherwise indicated.

1922 Russian Stamps of 1909-12 surcharged unwatermarked, perf 14x14-1/2

The overprint reads "Priamurski Zemski Krai," Priamur Rural Province.

The overprint is in a rectangular frame on stamps of 1k to 10k and 1r; on the other values the frame is omitted. It is larger on the 1 ruble than on the smaller stamps.
